

Magnetic whiteboard set

• print on paper laminated with glossy foil

• magnetic foil - 0,4 mm

• paperboard - 1,5 mm

• whiteboard pen

A small whiteboard with a magnet and pen can have several variants. It can be placed on the refrigerator or be used to take notes instead of a notebook. This clever gadget can be a fantastic place to put your company logo or other promotional graphics. Available in custom shapes and sizes. Printed in full CMYK color. Foil laminated surface is suitable for whiteboard pen (easy removable), which is included to this set.
